

## **IMPORTANT SAFETY INFORMATION**

### **CHILDREN'S BUNK BED**

Please read carefully before use. Keep this information for future reference.

---

#### **GENERAL WARNING**

Improper use of bunk beds can result in **serious injury or death**, particularly from falls or entrapment.

Always follow the safety instructions below.

---

#### **AGE RESTRICTIONS**

- **Top bunk is NOT suitable for children under 6 years of age**
  - Designed for **sleeping use only**
  - **No jumping, climbing, or rough play** on the bed
- 

#### **FALL & GUARD RAIL SAFETY**

- Guard rails **must be installed and securely fixed at all times** on the top bunk
  - Never remove, loosen, or modify guard rails
  - Mattress height **must not exceed the maximum height line** indicated on the guard rail
  - Only **one person per sleeping surface**
-  Risk of falls leading to serious injury or death
- 

#### **LADDER SAFETY**

- Ladder must be **firmly attached** before use
  - Only **one child on the ladder at a time**
  - Always climb **facing the ladder**
  - Do not use the ladder if loose, damaged, or unstable
- 

#### **MATTRESS REQUIREMENTS**

- Use **only the recommended mattress size**
- Mattress must fit **snugly with no gaps**
- Do not stack mattresses, toppers, or cushions on the top bunk

## WEIGHT LIMITS

- Do not exceed the **maximum weight limit per bunk**
- Includes the weight of the mattress and user

Harbour  
Furniture

Spend Less. Live Better.

## ENTRAPMENT & STRANGULATION HAZARDS

- Do **NOT** attach ropes, cords, belts, scarves, curtains, or toys to the bed
- Keep blind and curtain cords **well away** from the bunk bed
- Ensure no large gaps remain after assembly

## ASSEMBLY & MAINTENANCE

- **Adult assembly required**
- Follow the assembly instructions exactly
- Tighten all bolts and screws **before first use**
- Check and retighten fittings **regularly**
- Stop use immediately if any part becomes loose, cracked, or damaged

## PLACEMENT SAFETY

- Place bunk bed **away from ceiling fans, lights, windows, and heaters**
- Ensure adequate ceiling clearance above the top bunk
- Do not place near windows or blind cords

## SUPERVISION

- Adult supervision recommended, especially for younger children
- Teach children safe climbing and sleeping behaviour

## COMPLIANCE NOTICE

This bunk bed is designed in line with **AS/NZS bunk bed safety guidelines** and international best practices when used correctly.

Failure to follow these instructions may result in injury and void warranty coverage.
